Re: UEMS Congress 2026 – Special Preferential Registration Conditions

***Dear President of the UEMS National Medical Associations,  
Dear Head of Delegation,***

*UEMS is proud to launch the **1st UEMS Congress**, to be held at KU Leuven, Campus Gasthuisberg (Leuven, Belgium) from **27–30 May 2026** — a milestone event designed to bring together the entire European medical specialist community around learning, collaboration and strategic impact.*

*As members of UEMS, National Medical Associations play a decisive role in shaping the visibility, relevance and success of this Congress. Your engagement is not only welcome, it is essential. This inaugural edition reflects the strength of our collective work, and we rely on NMAs to help mobilise their members and future leaders of our profession.*

*To facilitate your participation, the UEMS Executive is pleased to extend **exceptional financial conditions reserved exclusively for NMAs**:*

- *Possibility for each NMA to register **up to 10 participants** under a dedicated NMA allocation against a reduced **full registration fee (discount 200 EUR; promo code NMAs200)**.*

*We strongly encourage you to nominate the members of your NMA who can actively contribute to discussions, promote European collaboration and bring the outcomes of the Congress back to your national communities.*

*This first UEMS Congress represents more than a scientific meeting — it is a collective statement about the role and unity of European medical specialists. Your mobilisation will be instrumental in ensuring that this milestone event reflects the full diversity and strength of our membership.*

EUROPEAN UNION OF  
MEDICAL SPECIALISTS

Further practical information, including registration details, is available via the Congress platform: <https://www.uemscongress.eu/event/1st-uems-congress-2/page/introduction-1st-uems-congress-3>

*Our Office remains at your disposal should you require any assistance with participant nominations or logistical questions.*

*We sincerely count on your support and look forward to welcoming your delegation in Leuven.*

*With collegial regards,*

Prof. Vassilios Papalois  
President of UEMS

Dr João Grenho  
Secretary General of UEMS
